Krieg in the water

by MiaQc

Summary

My sister steals Krieg from me and throws it into the water.

- A translation of Krieg à l'eau by MiaQc

When my sister steals Krieg from me and throws it into the water, I intend to give her a good scolding when I see Naija's head emerge from the water. She's holding Krieg in her arms.

"Whew! Thank you, Naija."

"You're welcome, Your Majesty. Do not be too hard on your sister. After all, you're often busy and she gets lonely."
